2.2.1

After the admission process is completed the counselling is undertaken but as this is not proper way for identifying the student. As the result Sharadchandraji Pawar Homoeopathic College and Hospital, Shrirampur conducts the internal test and the marks are displayed on the notice board

After going through the marklist as per the system the students securing marks less than university passing certificate (less than or equal to 40 %) marks will alone be consider as the slow learner and students securing more than 70% will be condiseder under advanced training .

The arrangement of special program

Special program : For slow learners we arrange some other remedial coaching lectures which include the attendance , lectures, timetable for regular classes . finally after conducting lectures the examinations within the month is taken immediately to judge the performance of student . The list of slow learner is also to provided to the mentor

Special program : For advance learners they provide books from library and the facilities of internet and wifi provided for completion of the project works and thus this might benefit the learners as well
