4.1.1: The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The college has adequate infrastructure that is own with a built-up area of 5acre. The institution provides infrastructural facilities for the teaching-learning experiences and rolls-out value-added programmes & activities like Technical & Non-Technical Clubs, Activity based learning, Laboratory oriented theory classes which bridges the gaps in academic teaching and on part with industry requirements.

The available physical infrastructure is optimally utilized beyond regular college hours to conduct certificate courses, co-curricular activities / extra - curricular activities, Campus Recruitment Training classes, campus recruitments, meetings, seminars, conferences etc.

The institution possesses the following infrastructures for teaching and learning:

Classroom: 5 Classrooms are equipped with ICT facilities to enhance the teaching learning process and one seminar hall is available. The optimal utilization is ensured through encouraging innovative teaching – learning practices inside the Classrooms through well experienced teachers.

Laboratories: Spacious laboratories with good ventilation and lighting facilities are available. All laboratories are equipped with essential equipment to meet the requirements of the curriculum. Latest software & Tools are available to enable the students to work on their interest by participating in various technical clubs. Laboratories are utilized beyond the college hours for the convenience of the students to enrich their knowledge. All the labs are equipped with good technical support staff available during working hours and beyond (as and when required).

Seminar Hall: Seminar halls equipped with LCD projector, computer workstation, audio-visual facilities and wireless, Internet facilities. The webinars, Guest lectures, seminars, conferences and symposium are conducted in the seminar hall which helps the students to get new ideas and insights

Library: The college library is occupied on the first floor of the building. The College Library is equipped with a large number of books and journals.

Students and faculties can also refer their relevant subject textbooks from the library for their reference.

Internet Facility: Supported by 100 Mbps Internet .

Sharadchandraji Pawar HMC has its playground in around 1 acre where we encourage student to play various sports like Volleyball,cricket,kho-kho,kabaddi,badminton. We have our sports session every Saturday of everyweek where students play in teams to build quality of teamspirit in them. We also have indoor games like chess,carrom,table tennis where individual qualities are developed in students in our college such as confidence,accepting defeat, hardwork, dedication, skills, strength, speed, stamina & flexibility in them.

The cultural activities are conducted at the institute level which includes annual social gathering, participation in University youth festival and such other cultural activities
