4.2. Clinical Equipments and Laboratory Learning Resources

4.2.1 Teaching Hospital , equipments , clinical , teaching learning and laboratory facilities -

Sharadchandraji Pawar HMC's Hospital was established since 2015. It has capacity of 25 beds. Free hospitals are run for poor and needy. It has well equipped hospital with facilities such as laboratory, OT, labor room and separate OPD like

OBGY, MEDICINE, PEDIATRIC, SURGERY, CASUALTY, DRESSING with skilled doctors. It has been successfully running with years.

Hospital consists of 5 OPDS attached with case taking desks. There are Reception, Registration and Dispensing counters with well trained staff. Ventilated waiting area with seating arrangements for patients and relatives. The institution boasts of having collections of 1900 medicines with various potencies of ranging from mother tinctures, 30 potencies, 200 Potencies and 1m potencies. OPD provides a platform for the students to have varied and intricate hands-on experience through case studies and the experience with experts, professors. The OPD comprises of speciality clinics as well as the 5 Subjects as per MSR.

We also have casualty unit, separate medicine dispensing unit for medicine with availability of medicine in every potency.

We have post-treatment/post-surgical facilities like physiotherapy and yoga with skilled staff. We also provide free meals to our patients with IPD admissions. Department like X-RAY, ECG are also present.

With all these facilities we are able to train 1st, 2nd, 3rd, 4th year students and Internship students with clinical knowledge and experience.

We are successfully running our peripheral outdoor OPD's at Nipani Wadgoan, Shirasgoan with excellent response.

4.2.1 Teaching hospital

Year of establishment : 2015

Hospital institution distance : within campus

Own college hospital facility

Computerised registration and manual registration is available

Number of OPD Facilities:
