## 4.4.2 Shardchandraji Pawar Homoeopathic Medical College and Hospital has well established IT facilities with comprehensive IT policies.

### 4.4.2.: Institution frequently updates its IT facilities including Wi-Fi

The IT facilities available in our institution are in place .The institute has dedicated "ITCARE Team" who work round the clock to ensure that all our hardware and software are up-to-date and functioning without any problem. The college provides computer facilities to the students to learn experimentally and also to gain access to the cutting-edge technologies in the IT world. These systems have excellent networking facilities with additional Wi-Fi routers in each block.

**The IT facilities that are available in supporting academic and non-academic activities include:**

**1) Desktop computers in all departments.**

**2) Wi-Fi Internet throughout the campus.**

**3)** All desktop computers are connected to Campus Network.

**4)** Laser Printers Provided .

**5)** Desktop computers & LCD projectors available in class rooms.

**6)** Curriculum based software are regularly updated based on the need for every semester.

**7) All the latest Software are regularly updated to keep in pace with development.**

**8) Some laboratories are equipped with LCD projectors.**

The internet bandwidth provided through Wi-fi is 100 Mbps which is made available to the students round the year between 9.00 am and 6.00 pm . The institute has Wi-Fi facility in the college campus for the student and faculty members to avail internet connection at any place in the college. The connectivity through a fully networked campus computing & communication resources, offers students the facilities of e-mail, net surfing, up/down loading of web-based application, besides helping them in preparing projects, seminars, participating in various competitions and to develop their technical skills.

## ITES NEW/UPGRADATION of INFRASTRUCTURE (INTERNET/COMPUTER/PROJECTORS)

Departments have to identify the requirements for new or up gradation of existing infrastructures like INTERNET, Computers, projectors, . according to the lab requirements provided by the affiliating university.
Heads of Departments will submit the requirements to the Principal & Management for approval. After getting approval, quotations are collected statement of the price quotes will be submitted to Principal & Management for accord of approval to proceed with the purchases.
Purchase coordinator will coordinate with the purchase of the requirements and ITES and the respective lab in-charges will ensure the successful installation.
Regular maintenance will be done by the vendor during the warranty period and the in-house technical team will do the maintenance and servicing after the warranty period. In case of some complex issues and faults, experts or external service person will be called to attend the issue after getting approval from Principal & Management.
