

7.3.1 Portray the performance of the institution in one area distinctive to its priority and trust within five hundred words.

The vision of our institute – is to create healthcare leaders with a strong eco-technology approach.

So as to vision Sharadchandraji Pawar Homeopathic Medical College and Hospital have started peripheral visits through which college medical services reach each and every person of society through our homeopathic mobile dispensaries college providing homeopathic medicines at free of cost as well as extending our homeopathic services through homeopathic wingers in PHCs [peripheral health centers] of the government of Maharashtra.

Through rural peripheral visits, our students are able to learn homeopathy communication skills interpersonal skills diagnostic skills as homeopathy is propagated in society and society benefits, and thus homeopathy became the first line of treatment in Wadala village and its periphery villages at Nipani Wadgoan , Shirasgoan.

College is running this service for 5 years through peripheral visits to medical officers, final year students and internship students reaching to the doorstep of all people in society Daily our mobile van and ambulance visit a nearby village early in the morning so that all farmers and other patients facilitated at home or in the market & it become easy for them to facilitate medical services. Detail case histories were taken by interns and medical officers prescribing medicines and by it we are taking care of their health.

In case patients require further medical help college provides free ambulance service to patients we have an admission facility laboratory facility, X-RAY, ECG with minimum cost. S.P.H.M.C AND HOSPITAL provide free meal to IPD patients. College provides free services daily report of rural visits is maintained in format daily reporting of number of patients is done.

Rural visits and PHC's management is done by one of our skilled faculty member. So as to achieve our mission to imparting quality medical education serving the society , nation and humanity college not only extending medical
